assessment for Cadets and Staff before they visit in July 2012.

A Savings Card is available for Holland, and payments can be made via Mrs Moth in the Ships Office at the Unit.

CO Moth has been preparing for the Seniors Summer Camp, and Staff have created an exciting new Program of Events.

CO Moth has travelled to Holland to carry out a Health & Safety

Final payment for Holland is required no later than Friday, 28/6/12.

## Happy Birthday TS Invincible

We will be celebrating our 15th year of service at the Unit on Friday, 17/2/12.

Cadets should arrive at the Unit by 6 pm.

Family and friends are welcome to attend this event. So come and celebrate our big day.

Watch the Cadets demonstrate their Specialisation skills.

Why not indulge and enjoy a piece of cake with us too!

## Summer Camp

Our annual trip for the Senior Cadets is now confirmed. We are going to Holland from Saturday, 28/7/12 till Saturday, 4/8/12.

In order to help assist the Cadets with funding the trip (which costs £270), we have created a Sponsorship Form.

Sponsorship Forms are available from Mrs Moth

in the Ships Office at the Unit.

Any additional funds raised by the Cadets will go in the pot to help others unable to fund the trip fully themselves.

We thank you all for your contributions during this economic downturn.

The trip to Holland is an excellent opportunity to build friendships, step out

of your comfort zone and take home experiences of a lifetime.

## Always up for a Challenge – Marines

Do you want something exciting and challenging to do? If so, then we think you will enjoy our new Marines program.

Getting fit and being self-reliant along with our customary field craft skills, unarmed combat and boxing are what the

Marines are all about. We also have a shooting program which includes target, shotgun and rifle work, as well as camouflage, tracking and patrolling.

It won't be all work and no play, as we are speaking with F1 Red Bull racing team about a Field Gun competition against their pit lane crew.

Our hill walking weekends are set this year, and we have also planned Caving and Abseiling in the Derbyshire Peak District.

These events are designed to get young guys like you involved and we really want your input and participation.

John Owens, Lt.  
Royal Marine Cadets

## Thank You

As the old saying goes "many hands make light work".

Watch this space for the official launch soon.

## We Need You
